Green Bay Dental Practice Moves to New Location Welcome News for Area Patients

Formerly known as Northpark Dental Group, in March of this year “ForwardDental” took their new name for their dental group to reflect the state motto and their commitment to Wisconsin’s residents.

Now their Green Bay practice is moving from their clinic in Park Place to a beautiful new location at **1241 Lombardi Access Road** in the Stadium Square business plaza (just ¼ mile east of Hwy. 41 and within visual range of Lambeau Field).

The new practice is scheduled to open October 3rd. It will offer patients a more spacious and comfortable atmosphere and is easily accessed by individuals with disabilities. They offer a full range of General Family Dentistry as well as Cosmetic Dentistry and Orthodontic and Periodontic (treatment of gum disease) specialty dental services.

Most traditional dental insurance plans are accepted by ForwardDental and they participate in a variety of prepaid plans. They also offer the dentalpaymentplan – an exclusive financing option that allows patients to select from several payment plans with attractive interest rates – or no interest options!

Join the doctors and staff for an Open House on Thursday, October 13 from 4:00 – 6:00 PM. A ribbon-cutting ceremony with the Green Bay Area Chamber of Commerce will be held at 4:00. Enjoy refreshments and register to win door prizes.

For additional information on ForwardDental Green Bay, contact John Draxler, clinic manager, at **920-498-9088**
